

REMARKS

The purpose of this preliminary amendment is to insert omitted sequence identifiers for sequences present throughout the specification. These amendments do not contain new matter. Entry of the foregoing amendments is respectfully requested.

To comply with the requirements under 37 C.F.R. §§1.821-1.825, submitted herewith is a listing of the amino acid sequences presented in the above-referenced application. The sequence listing is being submitted in both paper copy and computer-readable form. Applicants respectfully request entry of the sequence listing into the above-identified patent application. The undersigned hereby verifies that the paper copy and computer readable form of the sequence listing are identical and do not contain any new matter.

In the event that any fee is required in connection with this submission and not enclosed, the Commissioner is authorized to charge the account of the undersigned, Account No. 04-1406.

Early and favorable consideration leading to prompt issuance of this application is earnestly solicited.

Respectfully submitted,

DANN, DORFMAN, HERRELL AND SKILLMAN
